

LOCKER ROOM PRIVACY

Locker rooms are provided for the use of physical education students, athletes, and other activity groups or individuals authorized by the building principal or Board policy. The District shall take the following reasonable measures to protect the privacy of individuals using school locker rooms:

- Under no circumstances may a person use a camera, video recorder, cell phone, or other recording device to capture, record, or transfer a representation of a nude or partially nude person in the locker room. Any other use of a camera, video recorder, or other recording device in the locker room requires the prior permission of the building principal or designated locker room supervisor, and the person being photographed, videotaped, or recorded.
- No media is allowed access to locker rooms before, during, or after any school athletic event or practice. Coaches and student athletes may be available for interviews directly outside the locker rooms, consistent with District policy and school rules.

Anyone who violates this policy shall be subject to school disciplinary action and/or penalties under state law.

The building principal or designated locker room supervisor, as applicable, shall be responsible for enforcing this policy.

A copy of this policy shall be distributed to all employees, published annually in all student handbooks, and posted at the entrance to each locker room in the district.
